PHARMACY & MEDICAL

the hospital is around the corner from you

Spitali Amavita CLOSEST HOSPITAL

Rruga Pjetër Budi, opposite the Italian Cultural Institute — a few minutes on foot. Private, English spoken, 24-hour emergency. **Go here first** for anything that isn't life-threatening. Card payment, and they'll give you an invoice for your insurer.

Spitali Amerikan 15 MIN TAXI

The large private hospital, for anything serious or for scans.

Farmaci Arena 7 MIN

Arena Center · 8 AM – 10 PM. There are also several pharmacies within 3–4 minutes on Rruga e Elbasanit and Rruga Pjetër Budi — look for the green cross.

Farmaci Ditë e Natë 24 HOURS

Genuinely round-the-clock chain for the 3 AM emergency. Wolt and Bolt Food also deliver pharmacy items until late.

MONEY & EXCHANGE

1 € ≈ 95–100 lekë · cards work almost everywhere

Këmbim Valutor — Rruga e Elbasanit 5–8 MIN

Your nearest exchange windows, plus more around Sheshi Nënë Tereza. Mon–Sat, roughly 8 AM – 7 PM. No commission; the rate is on the board.

The cluster near Skanderbeg Square 15 MIN

A dozen offices within two blocks Rruga e Barrikadave. Best rates in the city, many open Sundays and until 8 PM.

Open at any hour ATMS

There is no true 24-hour exchange desk in central Tirana. After 8 PM use an ATM — and always choose “**continue without conversion**”, which saves you 5–10%. Bank machines (BKT, Credins, Raiffeisen) beat the standalone Euronet boxes. The airport desk runs for every flight but has the worst rate in the country.

Walking times are from your front door. Anything that needs a taxi, we've said so.

FOOD & RESTAURANTS

Fishop CLOSEST

Fish and seafood done plainly and done well — pick what looks good and they cook it. Honest prices, no fuss. Our default when we can't be bothered to cook.

Era Blloku RRUGA ISMAIL QEMALI 4.6

Beloved Albanian kitchen — try the lamb shanks and the rice pudding. Always busy, never bad.

Morsi Tirana RRUGA ABDYL FRASHËRI 4.7

Italian bar and restaurant in Blloku. Try the lasagna.

Odas Garden NEAR THE NEW BAZAAR 4.6

Traditional Albanian in an atmospheric old-house setting, with live music. About 11 minutes, and the streets around it are worth the walk.

Artigiano at Vila RRUGA PAPA GJON PALI II 4.7

Italian fine dining near the Pyramid. Incredible pasta and desserts.

Salt Tirana RRUGA PJETËR BOGDANI 4.5

Upscale fusion and sushi for a special night, with great cocktails. Book ahead.

coffee here is a two-hour sit-down, not a takeaway

IN'S BRUNCH · BY THE ARENA

Ruga Faik Konica, minutes away. Eggs every way, pancakes, French toast, avocado toast, proper coffee. **Go before 11 AM at the weekend** or expect a wait.

Mulliri i Vjetër CLOSE · EVERYDAY

The local chain Albanians actually use. Opens early, reliable espresso, a counter full of byrek and pastries. Coffee and something warm for under 300 lekë.

Mon Cheri CLOSE

Also right nearby and the nicer place to sit for an hour — proper croissants, cakes, a good cappuccino. Where to go when the morning should take its time.

D'Anvers CLOSE

Belgian chocolate house with a café attached. Come for the hot chocolate — thick, dark, unreasonable.

Tirana starts late — bars from eleven, clubs after one

DRINKS & GOING OUT

Around the Air Albania Stadium 7 MIN · CLOSEST

Your nearest night out and underrated. The stadium's ground floor and the streets around it are wall-to-wall cafés, lounges and shisha terraces — big terraces, open very late, mostly locals. On match nights the whole quarter is a party.

Puls 11 MIN · BLOKU

The club people name first — big room, loud, packed from one in the morning.

Blloku, generally 11 MIN

Don't plan it. There are thirty-odd bars in four blocks and half will have changed name by next season. Walk down **Ruga Pjetër Bogdani** or **Ruga Ismail Qemali** after eleven and pick whatever sounds right. Radio Bar and Nouvelle Vague are the reliable ones.

Patela by Naga RRUGA E SALES

On the city's best bar street (officially Ruga Mustafa Matohiti) — wine bars and small restaurants, one long terrace in summer. About 15 minutes, or a 300 lekë taxi.

CULTURE & SIGHTSEEING

National Archaeological Museum 7 MIN · CLOSEST

On Sheshi Nënë Tereza. Small, cheap and a genuinely good hour — Illyrian bronze, Roman mosaics, Butrint finds.

Pyramid of Tirana 10 MIN · FREE

Climb it for 360° views. Art installations inside, open 24h. Best at sunset.

House of Leaves 12 MIN

Museum of secret surveillance, left much as it was found. The best museum in Tirana. Closed Mondays. 700 lekë.

Bunk'Art 2 13 MIN

Cold War bunker museum near Skanderbeg Square. 900 lekë. (*Bunk'Art 1 is the huge one under Dajti — a 20-minute taxi and half a day.*)
