Check-out is 11 AM. Please leave the keys on the inner side of the door.

PHARMACY & MEDICAL

the hospital is a minute from the door

Spitali Amavita · 1 MINUTE WALK

Rruga Pjetër Budi, opposite the Italian Cultural Institute. A private hospital, and by far the closest place to see a doctor. Start here for anything that isn't a 127 emergency.

Spitali Amerikan · BY TAXI

The large private hospital network, further out. Worth the ride for anything serious.

Farmaci Arena · ARENA CENTER

8 AM to 10 PM. There are more pharmacies within a few minutes in every direction. Look for the green cross.

Farmaci Ditë e Natë · 24 HOURS

A round-the-clock chain, for the middle of the night. Wolt and Baboon also deliver late.

MONEY & EXCHANGE

cards work almost everywhere · carry cash for small cafés and taxis

Nerguti · CLOSEST

Right across from Fishop, so about as close as it gets. The rate is on the board and there is normally no commission.

Around Skanderbeg Square · IF YOU WANT TO COMPARE

Several more exchange offices sit within a couple of blocks of each other near the square, so it is easy to check two rates before changing anything.

After hours · ATMS

Exchange offices keep shop hours, so once they close an ATM is the answer. When the machine offers to convert the amount into your own currency, always choose “**continue without conversion**”: its rate is worse than your bank's. Prefer a bank's own machine over a standalone Euronet box.

Places we go ourselves. Distances are from your front door.

FOOD & RESTAURANTS

Fishop · CLOSEST

Fish and seafood, simply done. The closest proper dinner to the door, and our default when we cannot be bothered to cook.

Era Blloku · RRUGA ISMAIL QEMALI 4.6

Beloved Albanian kitchen. Try the lamb shanks and the rice pudding.

Morsi Tirana · RRUGA ABDYL FRASHËRI 4.7

Italian bar and restaurant in Blloku. Handmade panini, burgers and Pinsa Romana, from breakfast until late.

BRUNCH & COFFEE

coffee here is a sit-down, not a takeaway

Inn's · BRUNCH

Ruga Faik Konica, just by the Arena. This is the brunch: eggs, pancakes, French toast, big plates and proper coffee. Busy at the weekend, so go early.

Mulliri i Vjetër · CLOSE

The local chain Albanians actually use, and one of the closest to you. Opens early, reliable coffee, a counter full of byrek and pastries.

DRINKS & GOING OUT

Tirana starts late, so nothing gets going before eleven

Around the Air Albania Stadium · CLOSEST

Your nearest night out. The stadium and the streets around it are full of cafés and lounges with big terraces, open late, and it is mostly locals rather than tourists.

Puls · BLLOKU

A club in Blloku, and the one people name first. There are plenty more within a few streets of it.

Koni Bar · RRUGA PASHO HYSA 4.9

A cocktail bar, and a local favourite. Good place to end the night.

CULTURE & SIGHTSEEING

National Archaeological Museum · CLOSEST

On Sheshi Nënë Tereza, and the closest museum to you. Small, cheap and worth an hour.

Pyramid of Tirana · FREE

Climb the steps for views over the whole city. Free, and best at sunset.

Odas Garden · NEAR THE NEW BAZAAR 4.6

Traditional Albanian in an atmospheric old-house setting, with live music.

Artigiano at Vila · RRUGA PAPA GJON PALI II 4.7

Italian fine dining near the Pyramid. Incredible pasta and desserts.

Salt Tirana · RRUGA PJETËR BOGDANI 4.5

Upscale fusion and sushi for a special night, with great cocktails.

Mon Cheri · CLOSE

Also right nearby, and the nicer place to sit for an hour over pastries and a coffee.

D'Anvers · CLOSE

Coffee and chocolate, a short walk away. The one to go to when you want something sweet with it.

Blloku, generally · BLLOKU

Do not plan this one. Walk down **Ruga Pjetër Bogdani** or **Ruga Ismail Qemali** after eleven and pick whatever sounds right. Radio Bar and Nouvelle Vague are the reliable ones if you want a name.

Patala by Naga · RRUGA E SALES

On Ruga e Sales, a street lined with bars, cafés and restaurants. Worth going for the street as much as for any one place on it.

House of Leaves

Museum of secret surveillance, in the old Sigurimi building. Closed Mondays. 700 lekë.

Bunk'Art 2

Cold War bunker museum near Skanderbeg Square. 900 lekë.
(*Bunk'Art 1, out under Dajti, is a taxi ride and most of a day.*)
