HOUSE RULES

No Smoking Indoors

Please step outside

No Parties

Keep it peaceful

Quiet Hours

After 11 PM

No Pets

Sorry, no animals

Washing Machine

Please check pockets first

One small favour: please check your pockets before loading the washing machine. Coins, keys and lighters go straight into the pump, and a repair is a cost we would have to pass on. Two seconds saves us both the hassle. Thank you!

Check-out is 11 AM. Please leave the keys on the inner side of the door.

PHARMACY & MEDICAL

the hospital is a minute from the door

Spitali Amavita 1 MINUTE WALK

Ruga Pjetër Budi, opposite the Italian Cultural Institute. Private, and the closest place to see a doctor.

Spitali Amerikan BY TAXI

The large private hospital, for anything serious.

Farmaci Arena ARENA CENTER

8 AM to 10 PM. More pharmacies within a few minutes: look for the green cross.

Farmaci Ditë e Natë 24 HOURS

Round the clock, for the middle of the night.

MONEY & EXCHANGE

cards work almost everywhere, cash for cafés and taxis

Nerguti CLOSEST

Right across from Fishop. Rate on the board, no commission.

Around Skanderbeg Square TO COMPARE

Several offices within two blocks of each other.

After hours ATMS

Always choose “**continue without conversion**”: the machine's own rate is worse than your bank's. Prefer a bank's ATM over a Euronet box.
